International Seminar on

“Reimagining Higher Education in the Artificial Intelligence Era”

Rationale:

To explore new possibilities that can enhance learning, critical thinking and holistic development, IQAC of St. Ignatius College of Education organized an International Seminar on March 1st, 2025 in Hybrid mode, with the following objectives:

- ❖ AI is transforming higher education through personalized learning, intelligent tutoring, and data-driven decision-making. This seminar explores how institutions can leverage AI for enhanced teaching, learning, and efficiency.
- ❖ AI integration raises concerns about data privacy, bias and equitable access. This seminar fosters dialogue on ethical AI use and strategies for its responsible adoption in higher education.

Report:

Rev.Sr.A. Mary Selastina, ICM, Secretary of the College was the Patron of the seminar. The planning and execution of the entire seminar was under the able guidance of the Principal of the College Rev.Sr.Dr.L. Vasanthi Medona, ICM, who convened the International seminar. Dr. M. Maria Saroja, IQAC Coordinator & Research Director & Associate Professor of Biological Science, Dr.R.Indra Mary Ezhilselvi, Controller of Examinations and Assistant Professor of Psychology, Dr. J. Maria Prema, M. Ed. coordinator and Assistant Professor of Education and Rev. Sr. L. Arul Suganthi Agnes ICM, Assistant Professor of Education organized the event as the Organizing Secretaries. Dr. M. Gnana Kamali, Assistant Professor of

Computer Science, Ms. J. Rawoofu Nisha, Assistant Professor of Perspectives in Education, Ms. S. Jebasheela Jenifer, Assistant Professor of Physical Science, Ms. C. Deepa, Assistant Professor of Physical Science and Dr.V. Lavanya, Assistant Professor of Education served as the Joint Secretaries.

This International seminar on "Reimagining Higher Education in the Artificial Intelligence Era" received excellent response of 198 registrations for offline and online participation. Faculty, Scholars and Educators around the globe and across the nation, enthusiastically joined us and had presented 144 papers which were released as proceedings in 2 volumes. Participants from 7 Universities, viz., TamilNadu Teachers Education University, Chennai; Manonmaniam Sundaranar University, Tirunelveli; Madurai Kamaraj University, Madurai; Bharadhidasan University, Trichy; Christ (Deemed to be) University, Bangalore; Integral University, Lucknow and Binghamton University, New York actively participated and presented papers.

Dr. M. Maria Saroja, IQAC Coordinator & Research Director & Associate Professor of Biological Science, explained the Dynamics of the seminar. Rev.Sr.Dr.L. Vasanthi Medona, gave an awestruck Keynote address insisting to use AI tools wisely, ethically and responsibly and integrate it with critical thinking, creativity and problem-solving to reach the realms of Education. The seminar was inaugurated auspiciously by Rev. Fr. Dr. Godwin Rufus, Principal of St. Xavier's College (Autonomous), Palayamkottai. He explained the tactics of engaging Gen-Z learners who are self-learners by Reimagining and Restructuring Higher Education and thus attaining balanced Body, Mind and Soul.

Session: 1 on "Adaptive Learning: AI as a catalyst for change" was conducted by Dr. Solomon Antony, Associate Professor, Department of Computer Science and Information systems, Murray State University, USA. In the perspective of learners, he explained how clear prompts lead to better output with the brainy use of AI. Session 2: on "3Rs (Reimagine, Redesign, Reinvent): Higher Education in AI Age" was conducted by Dr. K. Thiyagu, Associate Professor, Department of Education, Central University of Karnataka. He introduced and demonstrated AI platforms and enabled the participants to gain first-hand experience in AI usage and application.

In 7 parallel sessions, the papers were presented both online and offline, to share exploratory and visionary ideas and reflections on Reimagining Higher Education in the fast paced ever-changing Artificial Intelligence Era. The best presenter is honoured with a certificate of excellence. Dr. Rajab Fathima, Principal, Annai Hajira Women's College, Melapalayam, graced the Valedictory session as the Chief Guest. In her address she rightly pointed out the critical aspects that require our action in ethical usage of AI in Education and called for active participants rather than passive listeners.

From the feedback of the participants, it was revealed that the planning, execution, timely information, time frame, hospitality and every other aspect was satisfactory.

Outcome:

➤ This seminar served as a vital platform for educators, researchers, and practitioners to explore the transformative potential of AI in Higher Education. From adaptive learning strategies to the reinvention of teaching methodologies, this International seminar shed light on how AI is reshaping the academic landscape.

➤ The exchange of ideas had not only deepened the understanding of the participants but also inspired all to embrace change with a forward-thinking approach.
